Mark Wallace, President, opened the meeting introducing his visitor along with member introductions.

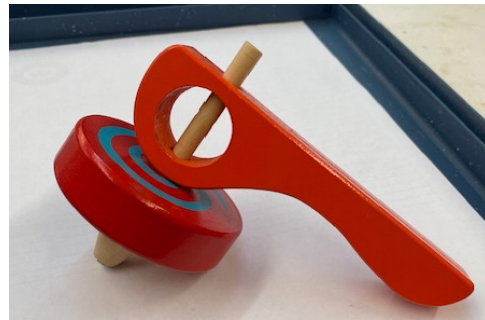

Attending members included (in alphabetical order): Steve Ackmann, Jim Cerra, Jack Delaney, Keith Gooding (VP), Scott Hendricks (Sec), John Kananis, Joe Kopec, Ed Nikles, Dave Robinson (Trea), Mark Wallace (Pres), Larry Zarra.

The visitor: Doug Douma.

Web update – calendar has been updated on the web.

Toys for Tots (T4T) – the top blanks were delivered by Keith with some already in the hands of members to be turned in advance of the December 7 event at PV Woodshop. A small cup and ball were passed around for the members to examine. A new top was presented for discussion. See picture and attached handout.

PV Payment Process – Scott Hendricks shared his experience with receiving payment for items sold at PV store. That PV employs an app called 'BIILL' and the seller can choose to share their banking information for direct deposit or elect to receive a check in the mail.

Rick Wortman indicated that PV has the bank routing info for WGWT and anyone selling items can elect to have their payment sent directly to the WGWT bank account.

In discussion with Erika Hewston today, PV Store Manager, she indicated that the seller will receive a Goggle Doc indicating what item(s) were sold by month. The seller only needs to access their Goggle Docs to see the report. This way an seller can determine what items were sold and at what price point – very helpful.
